

SINKS & TAPS 2021/2022

Over 70 years of passion

Smeg has been producing domestic appliances with the finest Italian design for more than 70 years, with a particular focus on aesthetics, ergonomics and functionality. Today Smeg, originally an acronym for Smalterie Metallurgiche Emiliane Guastalla indicating its initial activities in metal enamelling, is a world wide brand manufacturing a range of domestic and commercial appliances.

The Smeg portfolio includes a wide range of **sinks & taps, hand crafted in our factories in Italy**, to complete your kitchen. These have been carefully designed and constructed of **high quality materials**, resulting in a long working life. Smeg sinks & taps are available in different finishes and fittings, designed to best suit the layout of your kitchen.

From 1948

Made in Italy

MATERIALS & RANGES

STAINLESS STEEL

There is a clear reason why stainless steel is a popular choice for customers in their home. Its **versatile features** and **timeless finish** make it the perfect choice in any setting, whether it's a contemporary or traditional style kitchen.

Smeg's stainless steel sinks are made from **high quality 18/10 stainless steel**, resulting in a **resistance to rust and corrosion**. They have a **substantial thickness** and are **highly durable** which is why all our stainless steel sinks are provided with a life time warranty.*

Smeg's stainless steel range offers a selection of different sizes from **single bowl**, **1.5** or **double bowl** options with different installations to suit individual needs.

***30 Year Warranty on Stainless Steel Sinks**

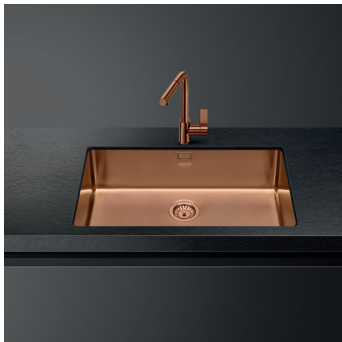

COMPOSITE

Smeg composite sinks make the perfect choice for a modern kitchen, giving the colour scheme an edge over the classic stainless steel.

Composite sinks have the **appearance of natural stone** whilst retaining all the practical advantages of metal such as **resistance to high temperatures, impacts, and scratches**. They are **ergonomic** and **easy to clean** and our range benefits from **deeper than average bowl sizes**, providing a greater capacity and versatility. Smeg offers an array of different fittings and sizes. From **inset, undermount** and **top mount** installations to **single bowl** and **1.5 bowl options**, there is something for every kitchen.

30 Year Warranty on all Composite Sinks

PVD

The PVD (Physical Vapour Deposition) process allows us to create stunning finishes, which are **durable** and **highly resistant** to wear and abrasion. The base of the sink is made of **high quality 18/10 stainless steel** with a PVD coating, which is available in **copper, gun metal or brass**. These colours complement other Smeg appliances, ensuring a seamless co-ordination in the kitchen.

2 Year Warranty on all PVD Sinks

The **Alba & Rigae** ranges are designed with classic curves in mind. These highly functional sinks are the perfect staple to complement any kitchen aesthetic.

The **Mira** range takes on the subtle and soft edges of contemporary design, with low radius corners and an array of finishings to really bring the kitchen to life.

The **Quadra** range boasts striking bold and clean lines, with perfectly square bowls that provide a modern finish in the kitchen.

TAPS

Choosing a sink is not complete until a tap has been selected to co-ordinate with the kitchen design. Smeg offers taps in many styles and finishes such as **brushed stainless steel, chrome, copper, gun metal** and **retro colours**.

The range includes **standard single lever mixers & dual flow mixers**, models with **pull out sprays** and **WRAS approved** taps. All Smeg taps come with Aerators which add air into the streams of water, reducing the litreage per minute from 15 to 6, saving you water and money.

Smeg are always looking for ways to further improve product efficiency. Our extensive tap range includes a **filtered water tap**, sure to add style as well as convenience to your kitchen.

2 Year Warranty on all Taps

WASTE DISPOSAL

Waste Disposal units are a must-have appliance for any kitchen. They are simple to use and an **environmentally friendly** way to **deal with domestic food waste**. At the touch of a button, food is **ground down into small particles** that are flushed away down the drain. It can deal with just about **any food within seconds** and fits discreetly underneath the sink. Smeg's range consists of three different sizes to suit each family's individual needs.

All Smeg sinks are fitted with a 3.5" waste outlet and are compatible with our waste disposal units.

SINKS

LYP861FR2

SINGLE BOWL SINGLE DRAINER
REVERSIBLE SINK, ST/STEEL

- Bowl depth: 1 x 154mm
- Bowl width: 1 x 330mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Easy Installation
- Reversible
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

LYP102FR2

1.5 BOWL SINGLE DRAINER REVERSIBLE
INSET SINK, ST/STEEL

- Bowl depth: 1 x 163mm, 1 x 93mm
- Bowl width: 1 x 342mm, 1 x 170mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Easy Installation
- Reversible
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

VS34/P3

ALBA SINGLE BOWL INSET SINK,
BRUSHED ST/STEEL

- Bowl depth: 1 x 210mm
- Bowl width: 1 x 340mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Easy Installation
- Ultra low profile
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

'Stainless steel sinks are made from high quality 18/10 stainless steel, meaning they are resistant to rust and corrosion.'

LDR102-2

MIRA 1 3/4 BOWL REVERSIBLE INSET SINK WITH AUTOMATIC POP-UP, BRUSHED STAINLESS STEEL

- Bowl depths: 1 x 200mm, 1 x 150mm
- Bowl widths: 1 x 340mm, 1 x 147mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless steel finish
- Reversible
- Ultra low profile
- 15mm Radius
- Automatic Pop-up for 1 or 2 bowls
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

LDR861-2

MIRA SINGLE BOWL REVERSIBLE INSET SINK WITH AUTOMATIC POP-UP, BRUSHED ST/STEEL

- Bowl depth: 1 x 200mm
- Bowl width: 1 x 340mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless steel finish
- Reversible
- Ultra low profile
- 15mm Radius
- Automatic Pop-up for 1 or 2 bowls
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

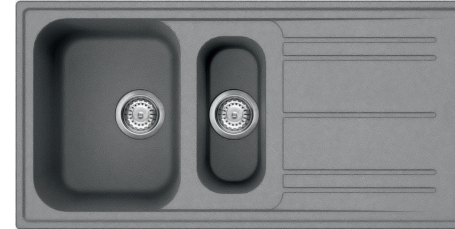

'Stainless steel sinks are made from high quality 18/10 stainless steel, meaning they are resistant to rust and corrosion. The substantial thickness and low profile of the Mira range, make it the perfect fit for any kitchen.'

LZ102A2

RIGAE 1 ½ BOWL SINGLE REVERSIBLE DRAINER COMPOSITE INSET SINK, ANTHRACITE

- Bowl depth: 1 x 210mm, 1 x 168mm
- Bowl width: 1 x 420mm, 1 x 150mm
- Drain: 3.5"
- Reversible
- 50mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

LZ102CT

RIGAE 1 ½ BOWL SINGLE REVERSIBLE DRAINER COMPOSITE INSET SINK, GREY

- Bowl depth: 1 x 210mm, 1 x 168mm
- Bowl width: 1 x 420mm, 1 x 150mm
- Drain: 3.5"
- Reversible
- 50mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

LZ102B

RIGAE 1 ½ BOWL SINGLE REVERSIBLE DRAINER COMPOSITE INSET SINK, WHITE

- Bowl depth: 1 x 210mm, 1 x 168mm
- Bowl width: 1 x 420mm, 1 x 150mm
- Drain: 3.5"
- Reversible
- 50mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

'Composite sinks have the appearance of natural stone whilst retaining all the practical advantages of resistance to high temperatures, impacts, and scratches. They are ergonomic, easy to clean and easy to install as they are reversible and can be easily mounted.'

VZP56CT

QUADRA SINGLE BOWL TOP MOUNT
OR UNDER MOUNT COMPOSITE SINK,
GREY

- Bowl depth: 1 x 200mm
- Bowl width: 1 x 500mm
- Drain: 3.5"
- Undermount & Topmount Installation
- 10mm Radius
- Ultra low profile
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

VZP56B

QUADRA SINGLE BOWL TOP MOUNT
OR UNDER MOUNT COMPOSITE SINK,
WHITE

- Bowl depth: 1 x 200mm
- Bowl width: 1 x 500mm
- Drain: 3.5"
- Undermount & Topmount Installation
- 10mm Radius
- Ultra low profile
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

VZP56N

QUADRA SINGLE BOWL TOP MOUNT
OR UNDER MOUNT COMPOSITE SINK,
BLACK

- Bowl depth: 1 x 200mm
- Bowl width: 1 x 500mm
- Drain: 3.5"
- Undermount & Topmount Installation
- 10mm Radius
- Ultra low profile
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

'These sinks offer maximum flexibility as they can be installed in two different ways; choose undermounted for a seamless finish or top mounted for quick installation. The single bowl design is ideal for smaller work top spaces and the extra deep 215ml bowl offers a greater capacity and versatility of use.'

VSTQ72-2

QUADRA SINGLE BOWL UNDERMOUNT SINK, BRUSHED ST/STEEL

- Bowl depths: 1 x 210mm
- Bowl widths: 1 x 720mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- 0 Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

VSTQ50-2

QUADRA SINGLE BOWL UNDERMOUNT SINK, BRUSHED ST/STEEL

- Bowl depths: 1 x 210mm
- Bowl widths: 1 x 500mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- 0 Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

VSTQ40-2

QUADRA SINGLE BOWL UNDERMOUNT SINK, BRUSHED ST/STEEL

- Bowl depths: 1 x 210mm
- Bowl widths: 1 x 400mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- 0 Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

'Undermount sinks are widely chosen for installations with granite and composition worktops to give an understated but very practical and stylish appearance. The crisp bold lines and perfectly square bowls of the Quadra range, are ideal for those who wish to create an elegant and seamless finish in the kitchen.'

VSTR3434-2

MIRA DOUBLE BOWL UNDERMOUNT SINK,
BRUSHED ST/STEEL

- Bowl depths: 2 x 200mm
- Bowl widths: 2 x 340mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- 1.5mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

VSTR4018-2

MIRA 1 3/4 BOWL UNDERMOUNT SINK,
BRUSHED ST/STEEL

- Bowl depths: 1 x 200mm, 1 x 156mm
- Bowl widths: 1 x 400mm, 1 x 180mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- 1.5mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

VSTR50BRX

MIRA SINGLE BOWL UNDERMOUNT SINK
BRUSHED ST/STEEL & BRASS PVD

- Bowl depths: 1 x 200mm
- Bowl widths: 1 x 500mm
- Drain: 3.5"
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- 1.5mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

ALSO AVAILABLE:

VSTR50DKX - Gun metal grey PVD
VSTR50CUX - Copper PVD

VSTR34BRX

MIRA SINGLE BOWL UNDERMOUNT SINK
BRUSHED ST/STEEL & BRASS PVD

- Bowl depths: 1 x 200mm
- Bowl widths: 1 x 340mm
- Drain: 3.5"
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- 1.5mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

ALSO AVAILABLE:

VSTR34CUX - Copper PVD

VFU50SFR

MIRA SINGLE BOWL TRIPLE INSTALLATION SINK,
BRUSHED ST/STEEL

- Bowl depths: 1 x 200mm
- Bowl widths: 1 x 500mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- **Undermount, Flush Fit & Topmount Installation**
- 15mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

VFU34SFR

MIRA SINGLE BOWL TRIPLE INSTALLATION SINK,
BRUSHED ST/STEEL

- Bowl depths: 1 x 200mm
- Bowl widths: 1 x 340mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 1mm
- **Undermount, Flush Fit & Topmount Installation**
- 15mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

'These sinks offer maximum flexibility as they can be installed in three different ways; choose undermounted for a seamless finish, flush fit and top mounted for quick installation. The single bowl design is ideal for smaller work top spaces.'

UM4545

ALBA DOUBLE BOWL UNDERMOUNT SINK,
BRUSHED ST/STEEL

- Bowl depths: 2 x 180mm
- Bowl widths: 2 x 450mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 0.7mm
- 72mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

UM3416-1

ALBA 1 ½ BOWL UNDERMOUNT SINK,
BRUSHED ST/STEEL

- Bowl depths: 1 x 180mm, 1 x 130mm
- Bowl widths: 1 x 340mm, 1 x 165mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 0.7mm
- 72mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

UM45

ALBA SINGLE BOWL UNDERMOUNT
SINK, BRUSHED ST/STEEL

- Bowl depths: 1 x 180mm
- Bowl widths: 1 x 450mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 0.7mm
- 72mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

UM40

ALBA SINGLE BOWL UNDERMOUNT
SINK, BRUSHED ST/STEEL

- Bowl depths: 1 x 180mm
- Bowl widths: 1 x 400mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 0.7mm
- 72mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

UM30

ALBA SINGLE BOWL UNDERMOUNT
SINK, BRUSHED ST/STEEL

- Bowl depths: 1 x 180mm
- Bowl widths: 1 x 300mm
- Drain: 3.5"
- 18/10 Stainless Steel
- Brushed Stainless Steel Finish
- Stainless Steel thickness 0.7mm
- 72mm Radius
- Supplied with overflows, drainers, gaskets, fixing clips and dishwasher drain taps.

SINK & TAP ACCESSORIES

KITFD050UK

WASTE DISPOSAL UNIT WITH
0.5 HORSEPOWER MOTOR

- Continuous feed
- Air Switch
- Fits all sinks with a 3.5" waste outlet

KITFD075UK

WASTE DISPOSAL UNIT WITH
0.75 HORSEPOWER MOTOR

KITFD100UK

WASTE DISPOSAL UNIT WITH
1 HORSEPOWER MOTOR

STABMIX

UNIVERSAL TAP BRACE

- Universal tap brace to add extra stability to tap and allow easy swivel movements between bowls.

WASTE DISPOSAL UNITS

A must-have appliance for the modern kitchen, waste disposal units are a simple and environmentally friendly way to deal with food waste. At the touch of a button, food is ground down into small particles that are then flushed away down the drain. It can deal with just about any food, including meat bones, within seconds, and fits discreetly underneath the sink.

In order to select the most suitable waste disposal unit for your household, consider that the larger the motor, the more powerful the waste disposal is and the more it will be able to do.

Customers should consider the amount of waste they want to get rid of. As a guide, households of 1-2 people would find a 0.5 horsepower motor sufficient, whereas with larger families a 1 or 1.5 horsepower motor would be more suitable.

TAPS

FILTERED WATER TAP

The MAP99CR provides not only cold and hot water, but also **filtered water**. Buying expensive and non-environmentally friendly bottled water can become a thing of the past. You can now enjoy fresh, superior quality water directly from the tap as soon as you need it.

The filtration cartridge **removes chlorine, limescale and other impurities** found within water for **healthier and safer results**.

MAP99CR

3 IN 1 FILTERED WATER & STANDARD HOT & COLD
TAP
CHROME

- Handle for filtered water supply
- Single jet spray
- Spout swivels 360°

SYMBOLS KEY

Smeg taps with energy saving cartridges only dispense cold water when depressing centrally. To obtain hot water simply turn the lever further left.

Selected Smeg taps offer water saving cartridges which reduce water consumption by 50%, sufficient for cooking and cleaning activities.

Selected Smeg taps are WRAS approved, meaning they have been given approval by the representatives of water suppliers and is accepted by every water supplied in the UK.

SINK & TAP PARTS WARRANTY

Smeg appliances are made from long lasting high quality materials however, for piece of mind, Smeg offer a lifetime parts warranty (30 years) on sinks (excluding PVD coating sinks which have a 2 year parts warranty) and 2 years parts warranty on taps.

Whereas every effort has been made to ensure that the information and images contained in our literature are correct at the time of going to print, this brochure should not be regarded as an infallible guide to current specification, nor does it constitute an offer for sale of any particular product.
